Exporting businesses are asked to keep in touch with their local organisations (ExportNZ) as above and share information on impacts on their export orders as a result of the Covid-19 pandemic. More information for exporters is on www.nzte.govt.nz

Information request

Businesses are asked to keep data on the effects on their business operations and impact on financial results, from the Covid-19 pandemic. This will help inform a coming review by MBIE into the effects on business of the pandemic.
